All with an interest in healthcare from a faith perspective are welcome to attend, and all MHF members are encouraged to attend at least part of the weekend. Registration and information are on the MHF website at www.mennohealth.org. The theme for the weekend is Fostering Provider Resilience with a special 2-hour Introduction to Strategies for Trauma Awareness and Resilience (STAR) in partnership with Minnesota Peacebuilding Leadership Institute. MHF is open to those serving in all areas of healthcare, including mental health, public health, health administration, and more. Register today! We look forward to connecting with you!

Covid 19 protocols are constantly changing. Because of the increase of cases and the Delta variant, the CDC is recommending increased use of masks when inside public spaces, even if vaccinated. Lay Leaders discussed this change and recommend complying with these new guidelines. We know it is not convenient or popular to do so. However, we choose to err on the side of caution guided by medical professionals. Please visit outdoors following worship, weather permitting, where you can remove your mask. Thanks so much for your patience and willingness to care for the safety and health of one another. We will continue streaming our worships via Facebook Live.

Over the summer months when many of us are traveling, our offerings trend down. In order to remain financially stable, **we look forward to the generous giving that comes with fall attendance.** You can give in the offering plate in the back of the sanctuary on Sunday mornings. You can also give electronically on our website. (Remember that you have the option to cover the cost of processing the donation as well.)

Mennonite Central Committee response to Haiti earthquake:

Families who have already suffered so much have been hit once again. On Saturday, August 14th, a 7.2 magnitude earthquake hit the country, killing at least 1,300 people and injuring thousands more. Early reports show that many of those who survived lost their homes. Thousands are sleeping outside, with little food and no protection from the elements. Right now, local partners are assessing the situation to provide aid where needed most. With your help MCC can reach the people most affected by this tragic event. Your gifts will help provide emergency support and supplies. You can donate online at mcc.org/haiti-earthquake, by phone at (888) 563-4676, or by mail at MCC, PO Box 500, Akron PA 17501.
