**We will be offering a small group opportunity to study racism using a video resource, “The Color of Compromise”.** This resource looks at the history of how the North American church has been a part of the system of racism and what action is needed to move forward. The next meeting will be Sep 30 at 7:00 in the basement with social distancing in place and masks requested. The group will meet 2x/mo. after that.

**Mennonite Central Committee is responding to the need for food and other assistance in Beirut, Lebanon**, following the massive explosion of ammonium nitrate on Aug. 4 that destroyed the country’s main port and silos filled with grain. Food was already in short supply in the country because of an existing economic and political crisis. You can share God’s love and compassion with some of the most vulnerable people in Beirut by providing food and other assistance. Donate online at [mcc.org/beirut-response](http://mcc.org/beirut-response), by calling [\(888\) 563-4676](tel:8885634676) or by sending a check earmarked for “Beirut response” to MCC, 21 S. 12th St., Akron PA 17501.

The leadership team of Mennonite Church USA recently led an interactive, **online panel discussion, entitled Race, Church and Change**. It is about the impact of racism on the church and meaningful approaches for dismantling it. View it at: <http://mennoniteusa.org/leadership-development/webinars/>
