# STAHL MENNONITE CHURCH

Johnstown, Pennsylvania

We commit to love and obey God, and through the power of the Holy Spirit follow Jesus, sharing the story of God's love, forgiveness, and grace, making God's kingdom of peace and justice more present on Earth.

**Our December Mission Offering is for Mennonite Disaster Service.** Responding to floods, tornados, hurricanes, mudslides, and wildfires is the work of MDS. MDS recruits, organizes and empowers volunteers to repair and rebuild the homes of those impacted by disasters in the United States and Canada. As they respond with Christian love to serve people who would not otherwise have the means to recover, their goal is to restore hope and bring people home.

**This is the Meal Train for Jayne Byler:**

<https://mealtrain.com/m10d87>. What is Meal Train? There are times in our lives when friends and family ask, "What can I do to help out?" The answer is usually to help them with a meal. When many friends provide support through a meal, Meal Train keeps everyone organized. **MealTrain.com** is a free meal calendar tool that makes planning meals among a wide group easy and less stressful.

**The end of the fiscal year is nearing for us as a congregation. Your continued contributions are essential for the work of Stahl Mennonite Church. Thank you for your continued generous giving of your finances.** As we settle into Fall routines, please continue to remember the work of the church. An easy way to make sure your offering is not missed when you are away is through the electronic giving option on our webpage. (Remember that you have the option to cover the cost of processing the donation as well.) Without each of you we would not be able to do the work of the church. Your commitment to the church through your financial offerings is one way to keep our work as a congregation going here in our community and beyond our local area. However you give, know that **the work of Stahl Mennonite Church cannot happen without you!**

**Covid numbers are ever unpredictable. If you feel the need to mask for your own health or to protect the health of others, you are encouraged to do so.** Lay Leaders will continue to monitor this rise. Thanks again, for your patience and care for one another's health.
